Our Strategic Plans

Vision

To improve the lives of inner city youth through mentoring and access to computer technology skills training and other vocational education resources.

We are in the business of helping our students learn independence.

What sets us apart –

- *We Care*
- *We Share*
- *We Encourage*
- *We Love*
- *We Give Back*

We teach organizational, motivational, and team building skills.

We partner with local agencies and individuals to enhance our strategic plans.

Our Financial Objectives:

- Become self-sustaining.
- Develop local financial campaign.
- Support organizations that work toward our mission.
- Collaborate with local grant makers.
- Find a for profit business to support us.
- Develop a donor base.
- Locate new and private public foundations.

Our Short Range Schedule

December 2016 – Recruit college students

March 2017 – Interview students

June 2017 – Hire students

September 2017 – Conduct fundraisers

December 2017 – Begin plans to open Center

March 2018 – Open Center

CFC Funding Code 80038
